		Fabulous trail with wonderful views across wetland to river
1	Trail	Tree down across trail 100 yds from office parking lot
2	Parking	Gravel parking lot badly rutted. In need of grading
3	Dogs	Encountered professional walker with 4 dogs (1 wasn't leashed)
4	Dumping	Brush dumped near end of roadway (looks old)
5	Trail	Muddy section near trail intersection - needs stones or boardwalk
6		Would be great to have a bike rack installed in parking lot
7		Would be great to have a bench to enjoy view at #7
		Good Eagle Scout project would be to build a kiosk at parking lot with info about birds along river corridor (I saw 15 species in 30 mins.!)
